*Rangkuman 2018. Konflik kemanusiaan terus menerus meningkatkan keperluan kemanusiaan, Sementara bencana alam mengakibatkan ramai yang memerlukan bantuan kecemasan. Secara keseluruhan, lebih daripada 135 juta penduduk di dunia memerlukan bantuan kemanusiaan dan perlindungan – dan dana yang banyak diperlukan untuk menyantuni mereka. Agensi kemanusiaan kini bergerak lebih pantas, berkesan & cekap untuk bertindak terhadap krisis dengan cara yang lebih sesuai demi membantu mereka yang memerlukan. 135 juta penduduk memerlukan bantuan....25 billion USD diperlukan dari seluruh dunia.*

*Kita sering menyaksikan kebuluran, ancaman, kehilangan insan tersayang dan tempat perlindungan. Agenda kami adalah untuk terus menyalurkan bantuan kemanusiaan dan melihat pelbagai kaedah untuk memperkasa komuniti. Dana dan bantuan kian menjadi cabaran harian memandangkan kecenderungan bencana alam kini berlaku di hadapan mata kita. Namun apa pilihan yang kita ada? Sebagai organisasi kemanusiaan, kami akan terus menjadi NGO yang bertanggungjawab untuk menghubungkan penerima manfaat dengan keprihatinan anda. Kami melihat situasi ini sebagai satu amanah daripada penyumbang dan jawapan kepada Sang Maha Pencipta dan juga penerima manfaat. Mereka adalah pemegang hak yang sebenar.*

*Kita meninggalkan 2018 dengan pelbagai memori melalui perkongsian dengan anda mengenai impak dan perubahan yang anda sumbangkan kepada mereka yang memerlukan. Ia mungkin tidak besar jika dibanding dengan 135 juta hari ini. Namun, ia mampu membina harapan kepada mereka untuk mendoakan kalian. Apa yang penting adalah kita bersiap siaga untuk menjawab kepada Sang Pencipta apabila waktu itu tiba. Semua yang ada di dunia hanyalah pinjaman dan kita bertanggungjawab dengan apa yang dilakukan. Setinggi-tinggi penghargaan kepada kumpulan gerak kerja (Pemegang Amanah IR & kakitangan IR) dan saya memanjatkan rasa kesyukuran kepada pihak luar (penyumbang, rakan kemanusiaan, sukarelawan, ikon kemanusiaan, rakan media, dan semua yang terlibat). Anda semua telah memberi ruang kepada kami untuk terus menyantuni mereka yang memerlukan di Malaysia dan juga luar negara.*

*Menyantuni dengan penuh rasa tanggungjawab, telus, dan berkesan adalah satu kewajipan. Ia adalah amanah kami selaku organisasi kemanusiaan untuk bergerak bagi pihak mereka. Dalam mempersiapkan kitaran ini, penerima manfaat mesti disantuni dengan cara yang baik dan keyakinan mereka tidak diancam. Keikhlasan, kecemerlangan, keadilan sosial, belas kasihan, tanggungjawab, pemerkasaan, ukhuwah, fokus dan keberkesanan akan terus menjadi pemacu IRM untuk mengorak langkah di lembaran baharu 2019. Bagi pihak pemegang amanah dan keluarga IRM, izinkan saya untuk menghadiahkan Partnership 2018 untuk anda melihat dari hati, minda, dan jiwa terhadap impak yang luar biasa daripada sumbangan anda kepada mereka yang memerlukan. Ia amat bernilai dan tiada aksara yang mampu disusun untuk menjelaskan.*

# CAPACITY BUILDING

A group of people are gathered in a meeting room. In the foreground, a man with glasses and a dark shirt is pointing at a document on a table. He is wearing a watch on his left wrist. To his left, another man is partially visible, looking towards the document. In the background, several women wearing hijabs are seated at a long table covered with a dark cloth. They are looking towards the man in the foreground. On the table, there are nameplates with the names 'AZWA', 'Zaf', and 'Oli'. There are also water bottles, cups, and papers on the table. The overall atmosphere is professional and collaborative.

## Corn Hero

Dery Suwanda Yondiswan, the corn hero, is one of the beneficiaries of Islamic Relief Malaysia (IRM). He settled in Batu Muda, Kuala Lumpur and runs corn business three years ago.

"Initially, it was my brother who introduced me to the corn business and I started as his assistant with a minimal wage. We started off by focusing on stewed corn before adding a new product, corn cup.

"We also received feedbacks from customers for improvement to add flavours like milk and chocolate.

"Initially IRM came to my house and at that time, my mother-in-law was supposed to receive it but she proposed my name as I am a businessman and IRM was also looking for entrepreneurs. Since 2016, I've been involved with IRM.

"Before IRM offered their assistance, I was operating my business in the conventional way. I did not have any specific financial system and my cash flow was not well managed."

Dery is one of the beneficiaries selected in the D2G programme organised by IRM with the aim to produce successful entrepreneurs.

"By joining the D2G program, I managed to explore into other business knowledge. It allows me to have a better worldview on my business agenda. Previously, my products were stewed corn and corn cup, now I have diversified the product, which is frozen corn that can be eaten anytime. I also have my own brand now known as Nur Falah Sweet Corn.

"What I learned was more than expected and IRM was able to raise me to the next level. It all started with the fear of failing that now I really want to succeed. In the business, I will promote Islamic Relief wherever I am because it is due to them that I am able to be who I am today."

## Hero Jagung

***"...Managed to explore into other business knowledge. It allows me to have a better world view on my business agenda."***

*"...banyak ilmu perniagaan yang saya sudah pelajari. Pandangan saya terhadap dunia perniagaan kini lebih besar."*

**Dery Suwanda Yondiswan**

D2G Entrepreneur / Usahawan D2G

Hero jagung, itulah gelaran yang diberikan kepada Dery Suwanda Yondiswan yang merupakan salah seorang penerima manfaat Islamic Relief Malaysia (IRM). Beliau menetap di Batu Muda, Kuala Lumpur dan menjalankan perniagaan jagung sejak tiga tahun yang lalu.

"Pada awalnya adik saya perkenalkan perniagaan jagung dan saya bermula sebagai pembantu jadi saya dapat sedikit upah. Pada mulanya kami hanya menjual jagung rebus sebelum kami tambah produk baru iaitu jagung cawan.

"Kami juga menerima maklum balas untuk menambah perisa dalam jagung cawan seperti susu dan coklat.

"Asalnya IRM datang ke rumah saya dan pada waktu itu, bantuan sepatutnya diberikan kepada ibu mertua saya namun ibu mertua pula mencadangkan nama saya kerana saya seorang peniaga dan ketika itu memang IRM sedang

mencari usahawan. Sejak 2016, saya sudah terlibat dengan IRM.

"Sebelum IRM datang membantu, saya tidak begitu mahir dalam pengurusan kewangan."

Dery juga merupakan salah seorang peserta program *Dare to Grow (D2G)* kendalian IRM yang sentiasa diberi latihan secara intensif agar menjadi seorang usahawan berjaya.

"Dengan mengikuti program D2G, banyak ilmu perniagaan yang saya sudah pelajari. Pandangan saya terhadap dunia perniagaan kini lebih besar. Sebelum ini produk saya hanyalah jagung rebus dan jagung cawan, sekarang saya sudah mempelbagaikan produk termasuk jagung sejuk beku yang boleh dimakan bila-bila masa sahaja. Saya juga sudah ada jenama sendiri iaitu Nur Falah Sweet Corn.

"Apa yang saya belajar sebenarnya begitu banyak dan IRM berjaya membawa saya ke arena yang lebih jauh bermula dengan perasaan takut untuk gagal sehingga saya benar-benar mahu berjaya. Dalam perniagaan ini, saya akan bawa nama Islamic Relief sebagai satu penghargaan kerana saya mahu manusia luar tahu bahawa Islamic Relief telah membangunkan saya."

# Education for the Future

Sabrina, or Nur Sabrina Ahmad Fauzi is one of the beneficiaries of Islamic Relief Malaysia (IRM). She is currently pursuing her studies at Universiti Teknologi MARA (UiTM) in the field of Industrial Design (Diploma) and is in her final year of study.

"Initially, I was one of the candidates for Malaysian Certificate of Education (SPM) student program in 2015. Several other friends including myself were the first group selected by IRM to join the tuition. Being an average student myself, I am very grateful for the assistance given as it covers my educational assistance.

"The teachers are also committed and supportive to help me succeed throughout the program. Since the subjects taught were similar to what I learned in school, it helped me to enhance my understanding.

"Due to my hardwork and commitment, I received the Dean's Award which made my parents proud.

"IRM was responsible in building my self-esteem. They were also responsible in helping me on my tuition fees and learning equipment. I am very grateful for this assistance.

"My life was challenging as I had to live alone in the university on top of being far from my parents. My father has not fully recovered from stroke which he suffered since 2015."

"My aspiration is to become a designer, and I want to further my studies in doctorate level to become a lecturer. To me, with the knowledge I have acquired, I want to give back to the future generation.

"With IRM's assistance, I believed that this is the beginning of a new phase in my life. I want to be successful and will never waste the opportunity given."

## Pendidikan Bekalan Masa Depan

Sabrina, atau nama penuhnya Nur Sabrina Ahmad Fauzi merupakan salah seorang penerima manfaat Islamic Relief Malaysia (IRM). Dia kini melanjutkan pengajiannya di Universiti Teknologi MARA (UiTM) dalam bidang Diploma Rekabentuk Industri dan berada di tahun akhir pengajian.

"Pada awalnya saya merupakan penerima bantuan untuk program kelas tambahan pelajar SPM pada tahun 2015. Saya dan beberapa lagi rakan lain adalah kelompok pertama yang dipilih oleh IRM untuk mengikuti kursus ini. Saya amat bersyukur dengan bantuan yang disediakan kerana ia meliputi bantuan pelajaran memandangkan saya bukanlah pelajar yang cemerlang di sekolah.

"Tenaga pengajar yang terpilih sangat komited dan turut memberi sokongan padu untuk saya berjaya. Subjek yang diajar juga sama seperti di sekolah dan ia membantu saya lebih memahami ilmu yang dipelajari.

"Hasil kerja keras dan komitmen, saya berjaya menerima Anugerah Dekan sekaligus dapat membanggakan ibu bapa saya juga.

"IRM banyak membantu dalam membentuk keyakinan diri saya. Saya juga bersyukur atas bantuan lain yang saya terima seperti penajaan yuran pengajian dan kelengkapan belajar."

"Cabaran hidup di universiti membuatkan saya belajar untuk tinggal berjauhan dari kedua ibu bapa dan lebih berdikari. Ayah saya pula masih belum pulih sepenuhnya dari serangan strok yang dihadapi sejak 2015.

"Saya bercita-cita untuk menjadi seorang pereka grafik dan melanjutkan pelajaran sehingga peringkat kedoktoran untuk menjadi seorang pensyarah. Saya ingin berbakti kepada anak bangsa dengan ilmu yang saya perolehi.

"Menerusi bantuan daripada IRM inilah bermulanya hidup baru dan saya telah tanamkan tekad untuk terus berjaya dan tidak mensia-siakan peluang yang diberi. Saya mahu terus cecal dan terus berdaya saing."

# One Thousand Hopes

"After losing everything that my family owns, I no longer ask for wealth. Waking up every day with my family beside me is more than enough," a 42-year-old displaced mother of 12 says.

Normin Romuros is one of the over 27,000 internally displaced people who have not returned to their homes after their house was burned to the ground during the five-month long battle.

Her family is one of the 77,170 families who fled their homes for safety just few weeks before Ramadan of last year.

"I have 12 children; they're between ages 26 and 14 years old. Three of my boy teenagers were separated from me at that time.

"Days, weeks and months have had been difficult for a mother like me, especially when you're seeing your children having an uncomfortable life.

"We have lost what we have invested and saved. We used to own a store and

have a 2-storey house.

"We had a good life. We used to eat 3 times a day with snacks in between. My children used to eat whatever they want. They used to go to school and sleep comfortably in their own rooms.

"But after what happened, life has been different –it's the total opposite."

The family lives in a cramped and hot tent. Life here has never been easy. It's never been comfortable. We don't have our own toilet; we sleep together on the floor with another family sharing with us in the tent; some of my teenager children haven't gone back to school.

"We are having a hard time getting by. We are dependent on the food rations that the government and NGOs such as Islamic Relief Philippines (IR Philippines) gave us.

"The box of food and the sack of rice that IR Philippines gave us have been so helpful to us, especially when we are celebrating Ramadan. This has been so timely.

## Bantuan Seribu Makna

"Selepas kehilangan segalanya, saya tidak lagi memerlukan kekayaan. Bangun setiap hari bersama keluarga di sisi sudah lebih dari cukup," kata seorang ibu kepada 12 anak.

Normin Romuros, salah seorang daripada 27,000 pelarian yang tidak dapat kembali ke tempat asal berikutan rumahnya yang dibakar ketika peperangan bertaku di Filipina.

Keluarganya merupakan antara 77,170 keluarga yang melarikan diri beberapa hari sebelum Ramadan.

"Saya ada 12 orang anak berumur antara 14 hingga 26 tahun. Tiga anak lelaki saya terpisah ketika itu."

"Hari demi hari, keadaan bertambah sukar bagi ibu seperti saya, lebih-lebih lagi melihat anak sendiri berada dalam keadaan susah.

"Kami kehilangan segalanya. Dahulu kami mempunyai sebuah kedai dan juga rumah.

Hidup kami senang. Dahulu kami mampu makan tiga kali sehari. Anak-anak saya juga dapat makan apa yang mereka mahu. Mereka turut bersekolah dan tidur dalam keadaan selesa.

"Namun selepas apa yang bertaku, hidup kami kucar kacir."

Keluarga ini tinggal di dalam sebuah khemah yang sempit dan panas. Kehidupan bertambah parah.

"Kami tiada tandas, kami tidur di atas lantai bersama keluarga lain dan anak-anak saya juga tidak ke sekolah. Keadaan kami semakin susah. Kami hanya berharap dengan bantuan makanan daripada kerajaan dan pertubuhan bukan kerajaan seperti Islamic Relief Philippines (IR Philippines).

"Bekalan makanan serta nasi yang diberikan oleh IR Philippines amat bermakna buat kami semua, lebih-lebih lagi pada bulan Ramadan.

"Kami mungkin tidak merasai keselesaan hidup seperti sebelumnya namun, melihat anak-anak saya di sisi sudah memadai.

"Kami turut bersyukur kerana ramai yang membantu kami. Kami tidak memerlukan kekayaan."

# Water for Life

Sixty years old Bu'sar Weydow Mohamed is a father of four children, three boys and one girl. He lives in Maqar-Areys village of Balcad in Middle Shabelle region, where he has some cows, goats and a small farm. The family's main source of income depends on the animals and the small farm which they grow maize during the rainy season.

Mr Bu'sar has been suffering for years from diabetes and could not afford to do farming. His eldest son, Muktar, is the only breadwinner. They are one of the poorest families living in Maqar-Areys village of Balcad. Water shortages have been rampant in Maqar-Areys during the drought season.

In response to these crises in Middle Shabelle, Islamic Relief Somalia (IR Somalia) began drilling and constructed two boreholes under the support of Islamic Relief Malaysia (IRM). Islamic Relief constructed water pools and kiosks for the villagers and animals in Maqar-Areys and Waberi-Star villages.

These two boreholes directly improved the security of women and young girls who often have to walk far to collect water for their families.

"I am an old man who could not afford to fetch water from long distances. We do not have donkey carts to collect water and my children are not always with me here. They travelled to Mogadishu to look for jobs to make ends meet for the family. I thanked IR Somalia and the donor for this well-equipped boreholes they drilled in our village, Islamic Relief's water services will save so many lives in our village," said Bu'sar.

"During the drought season many of our animals died. Many families will benefit from this project Insha'Allah. We are so grateful for the support from Islamic Relief and hope that they will continue to support us in the future," concluded Bu'sar.

## Sumber Air Untuk Hidup

Bu'sar Weydow Mohamed merupakan seorang ayah kepada empat anak, tiga lelaki dan seorang perempuan. Beliau menetap di kampung Magar-Areys, Balcad di Wilayah Shabelle. Bu'sar mempunyai beberapa ekor lembu, kambing, dan ladang kecil. Pendapatan utama keluarga ini bergantung kepada hasil ternakan dan ladang jagung yang diusahakan ketika musim hujan.

Bu'sar yang menderita kencing manis tidak mampu untuk menguruskan ladangnya dan hanya mengharapkan bantuan anak sulungnya, Muktar. Mereka merupakan antara keluarga termiskin di kampungnya. Masalah kekurangan air sangat kritikal di kampung tersebut sepanjang musim kemarau.

Hasil sumbangan Islamic Relief Malaysia (IRM), Islamic Relief Somalia (IR Somalia) bertindak membantu penduduk dengan menggali telaga air di kampung Magar-Areys dan Waberi Star.

Inisiatif ini secara tidak langsung meningkatkan tahap keselamatan bagi wanita dan kanak-kanak perempuan yang terpaksa berjalan jauh untuk mendapatkan bekalan air untuk keluarga mereka.

"Saya sudah tua dan tidak mampu untuk mengangkat air, kami tidak mempunyai haiwan yang dapat membantu dan anak-anak selalunya tidak bersama saya kerana mencari nafkah di Mogadishu. Saya sangat berterima kasih kepada IR Somalia dan juga penyumbang atas sumbangan telaga air di kampung kami," kata Bu'sar.

"Ketika musim kemarau, haiwan ternakan mati kehausan, namun saya percaya projek ini akan memberi kebaikan kepada semua. Kami bersyukur terhadap bantuan Islamic Relief dan berharap bantuan ini diteruskan." Bu'sar menambah.
